

## **Green Team Role Profile**

Thanks for your interest in volunteering to be a part of the Machynlleth Comedy Festival in 2019!

Working as a part of the team that makes the festival happen is challenging, rewarding and above all fun. We believe that a key part of the festival's success is down to the fact that so many wonderful people have offered their skills and enthusiasm over the past nine years, and we hope you can join us this year.

We want the Machynlleth Comedy Festival to be a warm and welcoming experience for everyone who attends the festival. Our crew help us to create a friendly and vibrant atmosphere for both our visitors and acts. Volunteering at the festival is a great way to gain skills, meet new people and be a part of something that you're passionate about.

We're looking for experienced and friendly volunteers who have an interest in environmental issues and love live performance. In this pack you will find all the information you need to find out whether you would like to be a part of the team.

Have a look at the [website](#), check us out on [Facebook](#) & [Twitter](#) and have a read through the role below and see whether the Green Team is for you! We hope so! Please feel free to contact us ([green@machcomedyfest.co.uk](mailto:green@machcomedyfest.co.uk)) if you have any questions.

We hope to hear from you soon. The Machynlleth Comedy Festival Team

### **Role Profile**

Here at Machynlleth Comedy Festival we are extremely proud of our team, and they come from far and wide to be involved in the festival! We have attracted super enthusiastic, professional and caring volunteers and we are looking to expand that family!

If you feel like you fit the bill and would like to get involved please fill out the online application form on our website.

Please note, all volunteers are required to work shifts on all three days of the festival (Friday 3rd, Saturday 4<sup>th</sup> and Sunday 5th), but shifts vary to make sure you manage to experience the festival from both sides. It is also necessary for volunteers to participate during the festival set up (Thursday 2nd May) and the festival break down (Monday 6th May) and attend the crew briefing (followed by meal and drinks) on the evening of Thursday 2nd May.

### **Green Team!**

The Green Team is a great way of learning about environmental issues on the ground of a festival. It's also a great opportunity to promote environmental awareness to everyone involved with the festival. So, if you're into this, this role is for you!

We are keen to reduce our impact on the environment in terms of the energy the festival consumes as well as the CO<sub>2</sub> and other emissions the festival produces. The team will conduct audience travel surveys, take energy readings in the venues, conduct sustainability surveys with the food and drink traders, support the successful reusable cup system and last but not least supervise a new bin

system trial which we hope will dramatically reduce our landfill waste. This really cannot be done without the help of our volunteers!

You will report to the Sustainability Manager.

Previous experience or knowledge of environmental sustainability issues is an advantage but mainly you will need to be friendly, enjoy working in a team and willing to work outside whatever the weather!

**If you would like to apply, please fill in the Green Team Application Form where there is more detail about shifts and perks of the job!**
